Mr. Allen W. Dulles,
48 Wall Street,
New York, New York.

My dear Mr. Dulles :

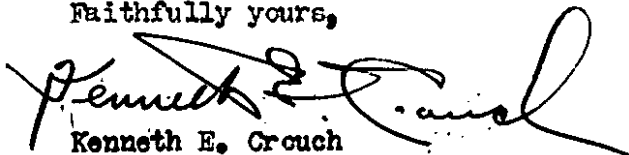

I am trying to secure the address by which I may write Mr. Hans Bernd Gisevius, author of TO THE BITTER END, and wonder if you can supply me with such - the jacket states he is living in Switzerland.

The writer of the introduction is a "Mr. Allen Dulles" and from WHO'S WHO IN AMERICA I believe you are the gentleman.

The book is a very fine account of the inside of Germany during those years we could hear nothing of such activities.

With respect and friendship, I am,

Faithfully yours,

Kenneth E. Crouch
